TREASURER'S REPORT 2019/20

Looking at our 'receipts and payments' accounts for the year we have turned a 'deficit' for the year into a 'surplus' of £10,691.68. This was mainly due to two payments of £1,000 and £10,000, being a Council award and a payment from a government funded charity award. Thank you to Iain Gregory for doing the work to secure these payments on our behalf.

We have also been fortunate in the amount of donations/memorials we received. We are very grateful to those who have lost loved ones and donated collections to us.

Various businesses and clubs have supported us in many ways and brought much appreciated funds to our Support Centre. Our own fund raising has also brought considerable monies to the Centre. Our biggest fund raiser was the coffee morning which realised nearly £2,000.

A big thank you to all who made this possible.
